Seminal Weakness.

Seminal emission is the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, its practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rostling of leaves or rattling of chariots, uneasiness about the ioins, weakness of the limits, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a disjlict to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, heetic flushes, furred tongue, foctul breath, counts, consumption, night sweats, memomania and frequently insanity. If relief be not obtained, you should apply immediately either in person or by letter, and have a cure-effected by his new and scientific mode of trating disease, which never fails of effecting a quick and radical cure.
